

How do I register a Reallusion SE product?

1) Once you finish the Reallusion SE product installation, you will then be prompted to the member registration/login screen.

If you already have a Reallusion member account, then login directly & skip to Step #4.

The screenshot shows a window titled "Welcome to FaceFilter3" with the Reallusion logo. It is divided into two main sections:

- New to Reallusion?**: Prompts users to register and lists benefits: "Free FaceFilter experience", "Free content download", and "Exclusive member discount". A "Register" button is at the bottom.
- Welcome Back!**: Contains input fields for "E-mail:" and "Password:", a "Forgot your password?" link, and a "Sign In" button.

2) For non-member, please complete the simple Reallusion Member application form first.

The screenshot shows the "Register now to activate FaceFilter3 SE" form. It includes the following fields and options:

- *E-mail (Reallusion Account): [Text Input]
- *Password (8~30 characters): [Text Input]
- *Confirm Password: [Text Input]
- *Select a Country: [Dropdown Menu]
- Newsletter Subscription

Buttons for "Register" and "Cancel" are located below the form. At the bottom, there is a disclaimer: "Reallusion will never sell, share, or distribute your personal information to any third party for any purpose. View our [Privacy Policy](#)" and a note about email activation: "Please check your email to activate the account. If you do not receive the email in an hour, please check your SPAM folder first or email to activate@reallusion.com".

How do I register a Reallusion SE product?

3) Once submitting the application form, you will then receive a Reallusion Membership Activation email in the email account you provided. In order to complete your registration, click the links in the email to activate your account. May we also recommend that you add our website (<http://www.reallusion.com>) to the list of "Trusted sites" in your Internet Options. If you have any member activation issues, please email activate@reallusion.com.

4) Then sign into the SE product page, as this will automatically register the related SE product to your member account.

5) Take note that you may verify your product registration on your Member account - Registration page.

"Download" is to display the Product Information page with the Patch & Bonus content available to be download. Note: We do not provide program download link in SE version, kindly refer back to the media where you get the source.
