How to install the iClone Indigo Render Plug-in?

4) Key in, or copy & paste the iClone Indigo Render Plug-in serial number directly from the **iClone Indigo Render Plugin** Order Email --or-- member account - Registration page.

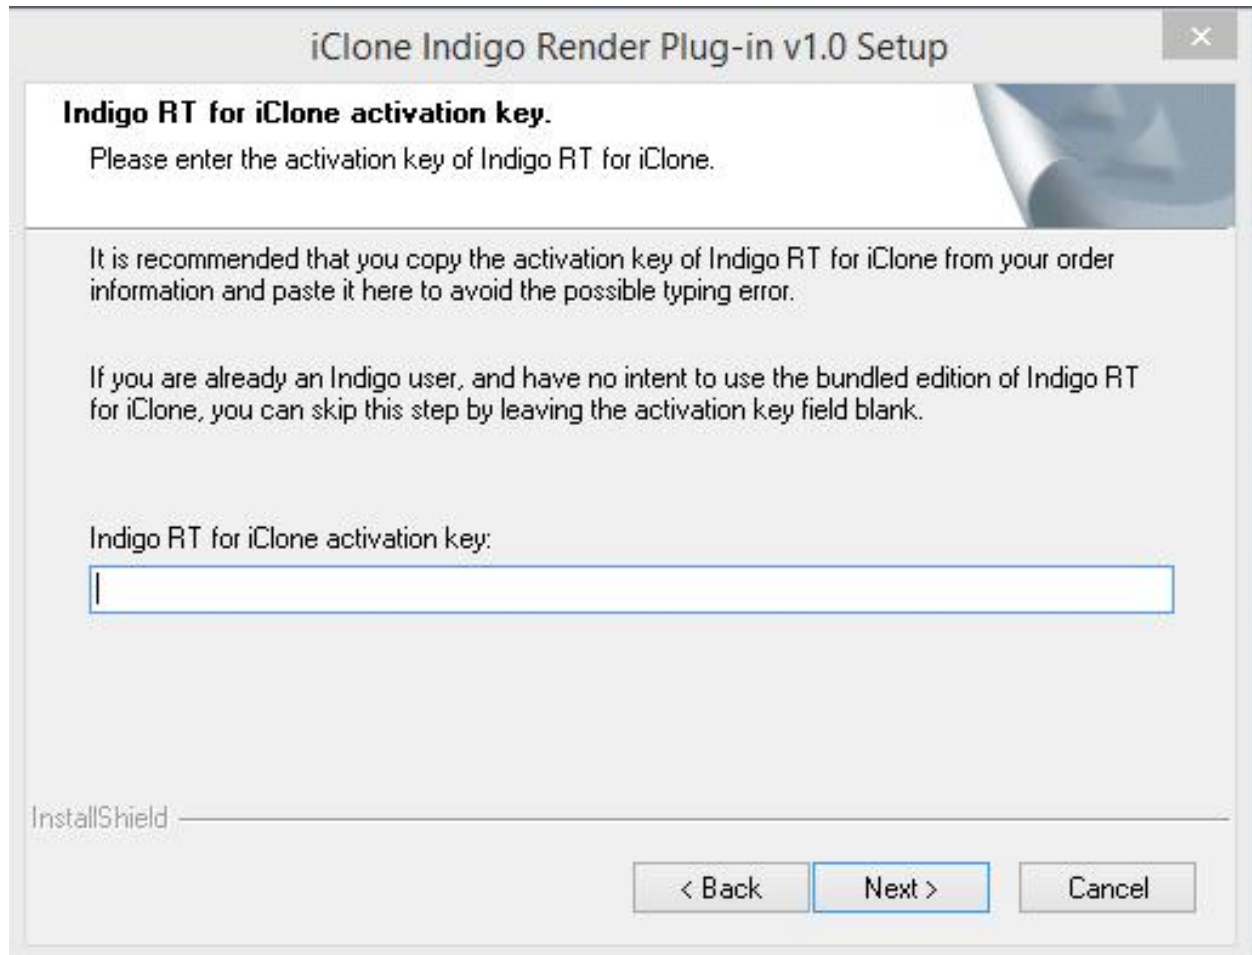

The image shows a Windows-style setup window titled "iClone Indigo Render Plug-in v1.0 Setup". The window has a close button (X) in the top right corner. Below the title bar, there is a section titled "Customer Information" with a sub-header "Please enter your information." and a decorative graphic of a rolled-up document. The main area contains instructions: "Please enter your name, the name of the company for which you work, the computer name that you want to identify this computer for your license, and the product serial number." and a confidentiality statement: "All information is kept confidential, Reallusion does not sell, trade or exchange lists with any other organization." There are four input fields: "User Name:" (containing "Windows User"), "Company Name:" (containing "Your Company"), "Computer Name:" (containing a greyed-out name), and "Serial Number:" (empty). At the bottom left, there is a label "InstallShield:". At the bottom right, there are three buttons: "< Back", "Next >", and "Cancel".

5) Key in, or recommended copy & paste the iClone Indigo Render Plug-in Activation Key (Serial number) directly from the **Indigo RT for iClone** Order Email --or-- member account - Order page under Bonus/Serial # link.

****Note: If you have already installed "Indigo Renderer" or "Indigo RT" Full version, then you may skip to key in the "Indigo RT for iClone"*

How to install the iClone Indigo Render Plug-in?

Activation Key. After this, click "No" on the next screen.

The screenshot shows the 'iClone Indigo Render Plug-in v1.0 Setup' window. It has a title bar with a close button. The main content area is titled 'Indigo RT for iClone activation key.' and contains the following text: 'Please enter the activation key of Indigo RT for iClone.' Below this, a note states: 'It is recommended that you copy the activation key of Indigo RT for iClone from your order information and paste it here to avoid the possible typing error.' Another note follows: 'If you are already an Indigo user, and have no intent to use the bundled edition of Indigo RT for iClone, you can skip this step by leaving the activation key field blank.' There is a text input field labeled 'Indigo RT for iClone activation key:' which is currently empty. At the bottom left, the 'InstallShield' logo is visible. At the bottom right, there are three buttons: '< Back', 'Next >', and 'Cancel'.

iClone Indigo Render Plug-in v1.0 Setup
