Note: If you have purchased from the App Store, then you do not need to register the product through a serial number since the App Store does not provide a serial number. However, the product will automatically be registered under your account once you complete the Bonus Pack download process.

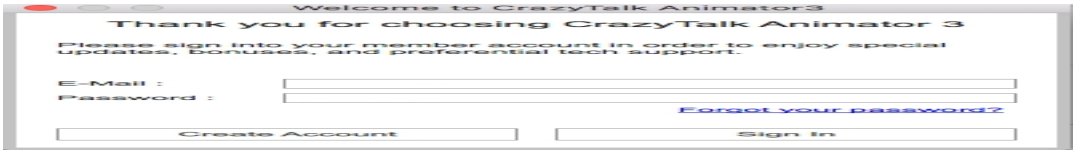

Steps: -

1) Once you startup the Reallusion program, click "Sign me up!" on the "SIGN UP NOW AND GET" screen.

2) Then, another screen will be pop-up for you to register or create your account. Please Sign In accordingly. This will automatically register your product under your login.

If you are a new Reallusion member, click "Create Account" button to register as a new member.

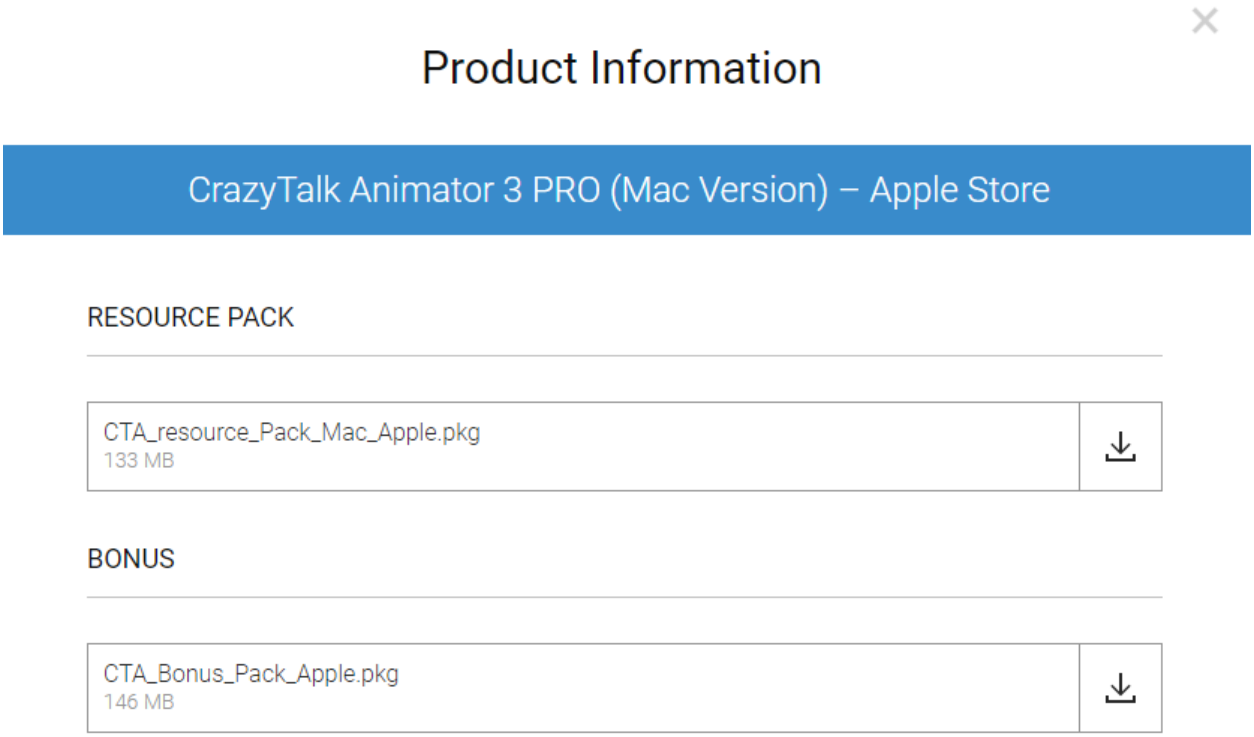

3) After product registration, login to the Reallusion member page.

4) Go to the "Registration" page, then select your product's "Download".

Type	Category	Product	Platform	Registered Date(UTC)	Serial Number	Download	Activated Number	Additional License
Product	Mac CrazyTalk Animator	CrazyTalk Animator 3 PRO (Mac Version) – Apple Store	Mac	10/31/2017	Resend	Download	0	0

5) In the Product Information page, you can find the resource pack/bonus download section for the product you purchased. You may click the download link accordingly.

6) It is recommended to save the bonus content installer for future re-installation, since the bonus content will be overwritten once the

Mac App Store updates the application.
