

How to update CrazyTalk Animator v3.2 via the LiveUpdate?

- 1) Launch Start > Reallusion > LiveUpdate --or-- Search LiveUpdate.
- 2) In the Reallusion Live Updates window, click the "Update" button to update Crazytalk Animator 3.
- 3) One pre-requisite installation dialog box will pop up, click OK to let the LiveUpdate auto-upgrade itself first.

- 4) After this, click the same "Update" button again to update Crazytalk Animator 3 to v3.2.

Note: Step#3 is only applicable to Crazytalk Animator 3 **Windows** version.
