How to install the Motion LIVE Plug-in and the related Mocap Profiles? (For those who purchased on/after 4th June 2018)

All the downloads are available from your member account - Registration --or-- Order History (for 3rd party product) page.

Whereas for Trial user, you can also install them via the Reallusion Hub (https://www.reallusion.com/hub/).

Steps: -

1) Simply update your iClone 7 to the latest version. Take note that the Motion LIVE Plug-in is only compatible with iClone v7.22 or above.

https://www.reallusion.com/iclone/patchinfo.html

2) Install Motion LIVE Plug-in.

Download from member account - Registration page: -

Type	Category	Product	Platform	Registered Date(UTC)	Serial Number	Download	Activated Number	Additional License
Product	iClone	Perception Neuron Profile for Motion LIVE Plug-in	Windows	05/29/2018	Resend	Download	0	0
Product	iClone	Motion LIVE Plug-in for iClone	Windows	05/29/2018	Resend	Download	0	0
Product	iClone	Faceware Profile for Motion LIVE Plug-in	Windows	05/29/2018	Resend	Download	0	0
