

I'm interested in the special promotion campaign but I have purchased most of CTA content packs and already have the CTA3 application, how do I join this campaign?

This Special Holiday Offer for the Content Store is not limited to any specific type of asset purchase (ends on Dec. 31st, 2018). You can make the most out this offer by purchasing add-on content for iClone, Character Creator, and Crazy Talk as well. We plan on releasing more asset packs for the month of December, so stay tuned to our content newsletters and drop by the Content Store from time to time. Other than that, you can look forward to the release of CTA4!
