

Where can I download Motion Link?

You can find and install the Motion Link Profile for Motion Live 2D, and the 3D Motion Link Plugin for iClone directly from the Reallusion Hub.

Kindly open the Reallusion Hub and log in with your member account.

To make the list shorter, you can choose to only display "2D & Media" in the drop menu under "Products". And then you can find "iClone Motion Link Profile for Motion Live 2D" in the "Not Installed" list.

You can choose to only display "3D Animation" in the drop menu under "Products". And then you can find "Cartoon Animator Motion Link Plug-in for iClone" in the "Not Installed" list.
