The screenshot shows the Reallusion Hub application window. At the top, there is a blue header with the Reallusion logo and the text "Reallusion HUB". Below the header, there are two tabs: "產品" (Products) and "更新" (Updates). The "產品" tab is active, and a dropdown menu shows "3D 動畫" (3D Animation). To the right of the dropdown are buttons for "刷新" (Refresh) and "過濾" (Filter). Below this, there are two sections: "已安裝" (Installed) and "未安裝" (Not Installed). The "已安裝" section lists three items: "iClone 7" (v7.83 | English) with an "開啟" (Open) button, "Smart Gallery Plug-in for iClone" (v1.12 | Plug-in) with an "開啟" (Open) button, and "Motion LIVE Plug-in for iClone" (v1.02) with an "開啟" (Open) button. The "未安裝" section lists one item: "Cartoon Animator Motion Link Plug-in for iClone" (Plug-in) with an "安裝" (Install) button and a size of "10.0MB".
