

## How to download Free trial content in the Reallusion Marketplace?

There are free content in our Marketplace. You can go to the link below to visit the Marketplace and find content you like:

If you see the download arrow mark, then that means you can free download to try.

Please log into your member account, and click the arrow mark to put the content to the Trial Download List. You can put several items to the download list and then download them together. Please note, everyone can download 10 trial items or 3 trial packs a day.

Click the arrow mark on the top navigation to view the Trial Download List and start the download process from there.

The screenshot displays the Reallusion Marketplace interface. At the top, the Reallusion logo is on the left, and navigation icons (heart, download arrow, bell, shopping cart, profile, and menu) are on the right. Below this is a dark navigation bar with 'MARKETPLACE' and a shopping cart icon, followed by an 'EXPLORE' button and icons for 'iClone', 'Character Creator', and 'Cartoon Animator'. The main content area shows a product listing for 'Cafe Hotel' with a laurel wreath icon. The product image shows a 3D-rendered cafe interior with tables, chairs, and a bar. A red '1' is placed above the product image. To the right of the image is a dark sidebar with a heart icon, a download arrow icon (highlighted with a red box and labeled 'Add to Trial Download'), and two price options: 'P 1,700' with an 'iContent' button and 'P 2,500' with an 'Export' button. Below the price options is a link '\*Know more about iContent v.s. Export'. Further down, the 'Compatibility' section lists 'CC v3.00 (or above), iClone v5.00 (or above)'. The 'Required Product' section lists '\* CC v3.00, iClone v5.50'. At the bottom of the sidebar is a 'Product Info' section.
