

How do I re-upload deleted pack in Smart Gallery? I was told that "All pack items have not been modified. No need to upload". (Developer Center)

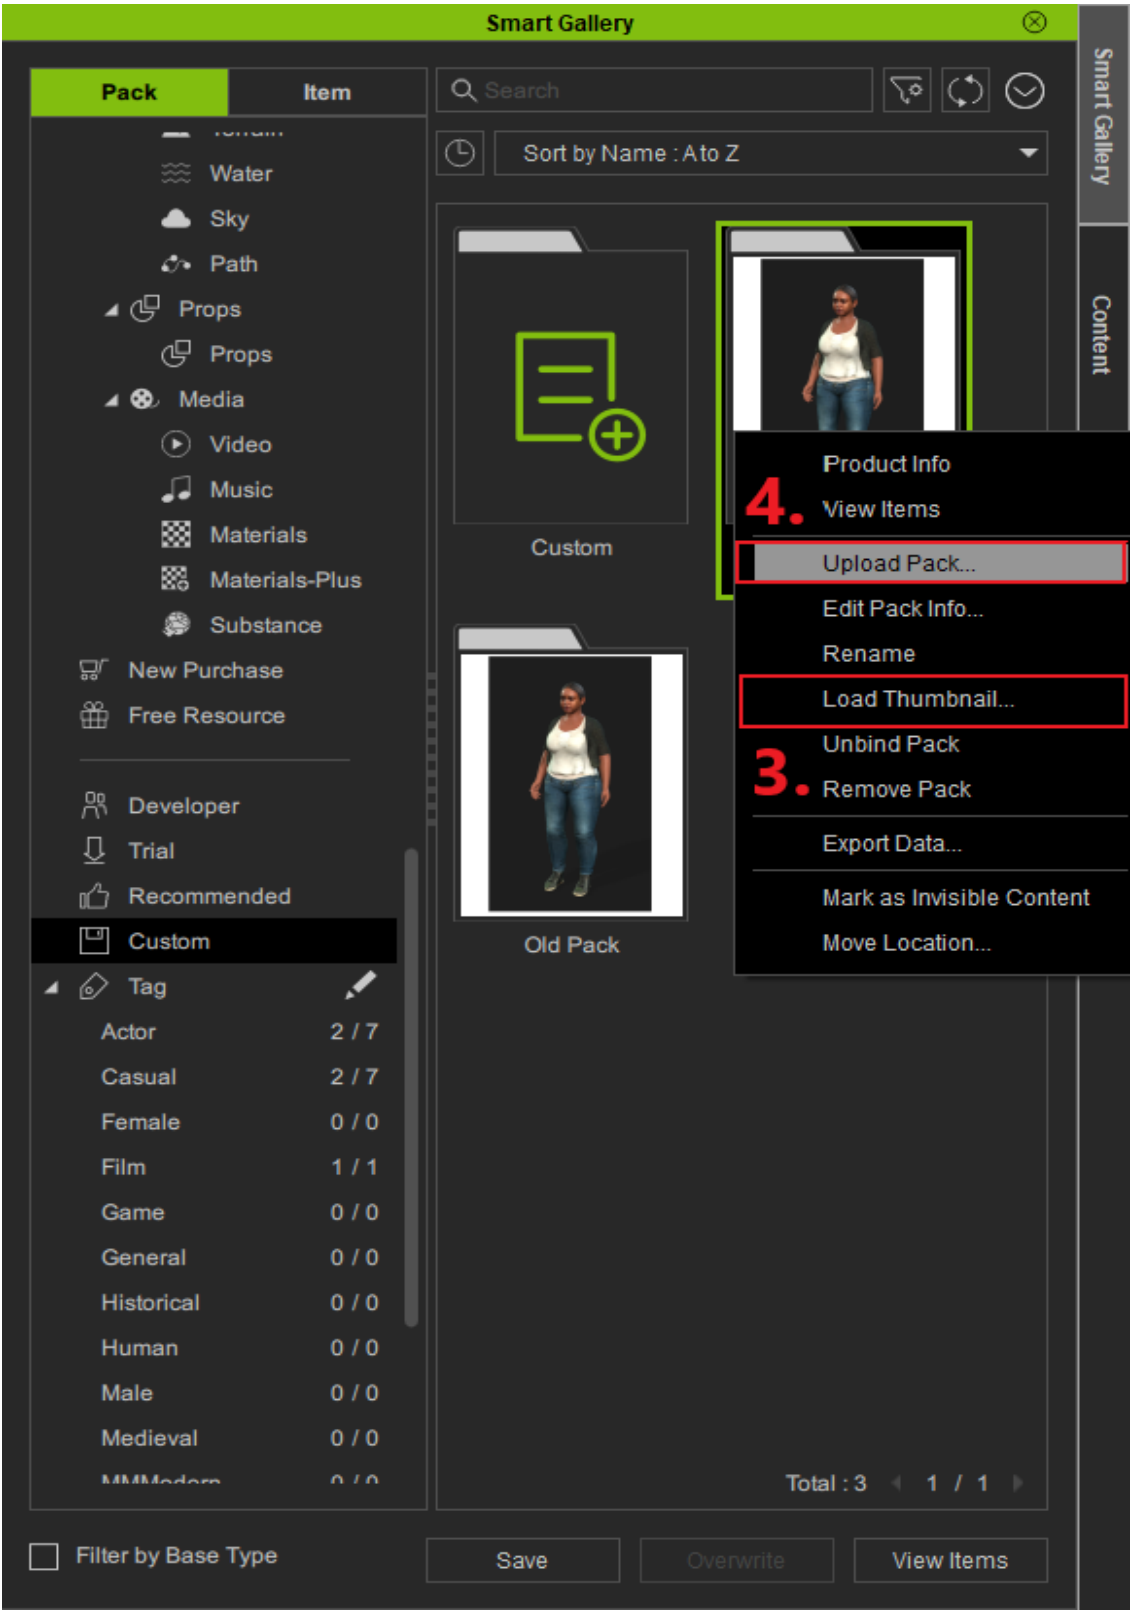

Please re-upload the pack via the following method:

- 1) Right-click on the blank space of the Custom Pack view and create a new pack.
- 2) Enter the old Pack, select all the items, right-click and move to the newly created pack.
- 3) Right-click on the new Pack to load the thumbnail.
- 4) Now you can upload again.

To enable screen reader support, press Ctrl+Alt+Z To learn about keyboard shortcuts, press Ctrl+slash.
