

After upgrading from iClone 7, where can I find my Nature Terrain Generator plugin for iClone 8 ?

To install the Nature Terrain Generator plugin for iClone 8, there are separate installers.

You can visit and log into this page:

<https://www.reallusion.com/member/#/en/order-history>

Of you can find your Nature Terrain Generator plugin and download the installer for iClone 8.

(Note: If you have trouble installing, then kindly uninstall the Nature Terrain Generator plugin with the Windows Uninstaller first.)

After installing, download the content pack with the Content Manager for iClone 8.
