How do I access the CTA5 PSD/SVG template files and whitepaper?

The CTA5 PSD/SVG template files can be installed directly from the Cartoon Animator 5 product page, link below:

https://www.reallusion.com/cartoon-animator/custom-2d-character.html

Alternatively, you can also download the template files directly using the following links:

PSD:
https://file.reallusion.com/cta/Cartoon_Animator_5_PSD_Pipeline_Resource.zip

SVG:
https://file.reallusion.com/cta/Cartoon_Animator_5_Vector_Pipeline_Resource.zip
