

How to find all of the content I've purchased on the Content Store, ActorCore and Marketplace?

You may have purchased content from these three stores: Content store, ActorCore, Marketplace. But if you cannot remember which store you bought the content from then you can still find all your purchased content via Marketplace Inventory list:

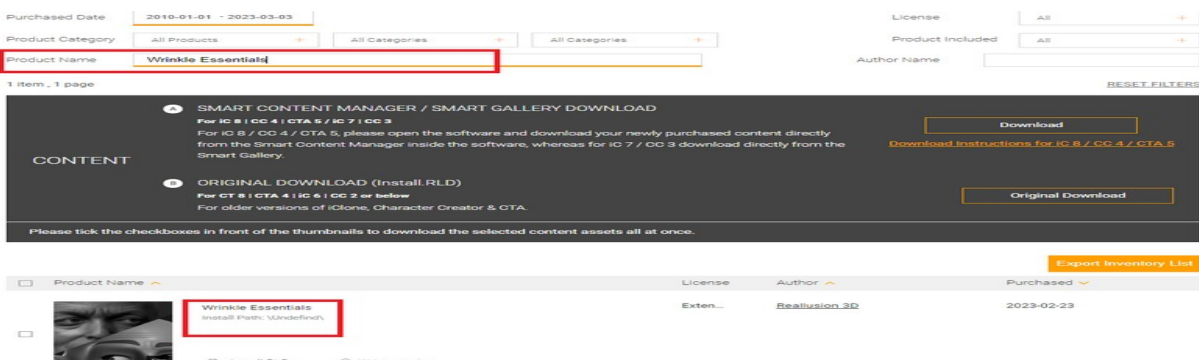

<https://marketplace.reallusion.com/inventory-list>

Then, here are the steps:

1) Choose Purchased Date to "All".

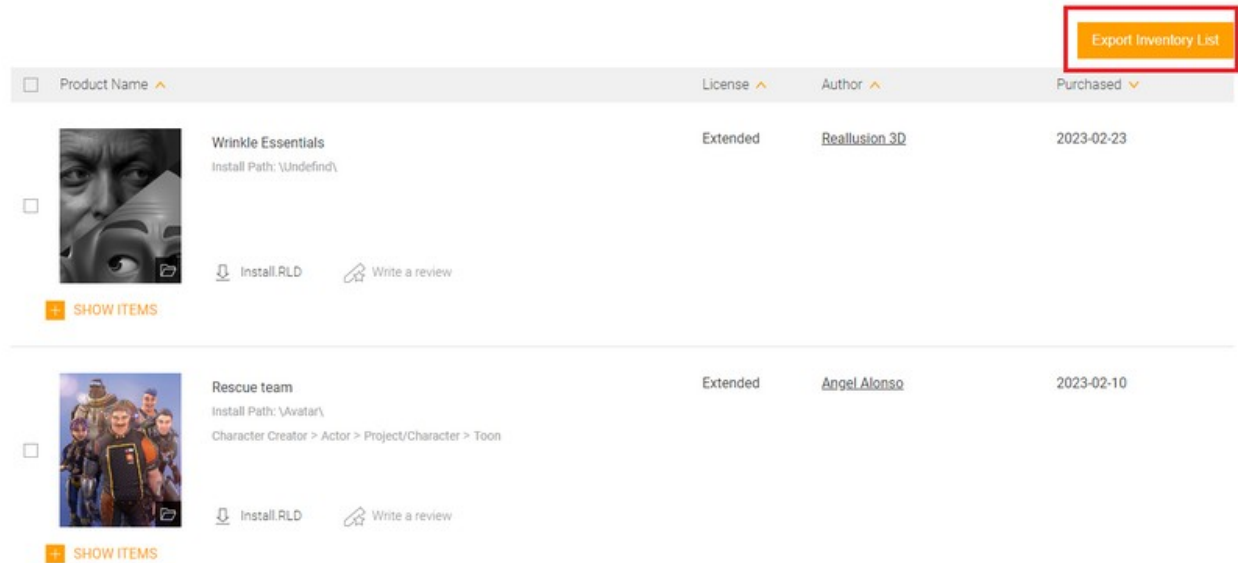

2) Inside you will see the items you've purchased from the three stores. You can search by items:

How to find all of the content I've purchased on the Content Store, ActorCore and Marketplace?

3) You can also click "Export Inventory List" to export all your content history as a CSV file.

The screenshot shows a table of purchased content items. At the top right, there is a button labeled "Export Inventory List" which is highlighted with a red rectangular box. The table has columns for "Product Name", "License", "Author", and "Purchased".

Product Name	License	Author	Purchased
<input type="checkbox"/>  <b>Wrinkle Essentials</b> Install Path: \Undefined\	Extended	<a href="#">Reallusion 3D</a>	2023-02-23
<input type="checkbox"/>  <b>Rescue team</b> Install Path: \Avatar\ Character Creator > Actor > Project/Character > Toon	Extended	<a href="#">Angel Alonso</a>	2023-02-10

Below each product name, there are icons for "Install.RLD" and "Write a review", and a "SHOW ITEMS" button.
