

How to find all of the content I've purchased on the Content Store, ActorCore and Marketplace?

You may have purchased content from these three stores: Content store, ActorCore, Marketplace. But if you cannot remember which store you bought the content from then you can still find all your purchased content via Marketplace Inventory list:

<https://marketplace.reallusion.com/inventory-list>

Then, here are the steps:

1) Choose Purchased Date to "All".

2) Inside you will see the items you've purchased from the three stores. You can search by items:

How to find all of the content I've purchased on the Content Store, ActorCore and Marketplace?

3) You can also click "Export Inventory List" to export all your content history as a CSV file.

The screenshot shows a user interface for a content inventory. At the top right, there is a button labeled "Export Inventory List" which is highlighted with a red rectangular box. Below this is a table with columns for "Product Name", "License", "Author", and "Purchased".

Product Name	License	Author	Purchased
 Wrinkle Essentials Install Path: \Undefined\	Extended	Reallusion 3D	2023-02-23
 Rescue team Install Path: \Avatar\ Character Creator > Actor > Project/Character > Toon	Extended	Angel Alonso	2023-02-10

Each product entry includes a checkbox on the left, a "SHOW ITEMS" button, and links for "Install.RLD" and "Write a review".
