To send an accessory and pose the character before **ZBrush Pose Link** > **Send Current Pose** was used, follow these steps:

1) Use CC **GoZ** > **Relink** to send the accessory to CC.

2) Transfer the pose from CC to ZBrush.

To send an accessory and pose the character after **ZBrush Pose Link** > **Send Current Pose** was used, follow these steps:

1) **GoZ** the current pose from ZBrush to CC.

2) Use CC **GoZ** > **Relink** to send the accessory to CC.

3) Transfer the pose from CC to ZBrush.
