	Zplugin	C
Í	►ZBrush Pose Tools	3
	1 - Resize for CC	
	cm ft	
	160 170 180 190	
	Height 100 Resize	
	Record New Pose	4
	Save New Record	

If the UI you see looks like this, try turning off SubPalette (Preferences > Interface > SubPalette), storing the UI (Preferences > Config > Store Config), and then restarting the ZBrush. This should resolve the issue.
