How do I install the AccuPOSE INFINITY perpetual license if I was a previous subscriber?

Follow these steps:

1. Redeem your AccuPOSE INFINITY perpetual license:

https://www.reallusion.com/campaign/default.html?cid=415&chk=5d90fd55608ea

Make sure the license has been successfully redeemed before continuing.

2. Install the AccuPOSE INFINITY plug-in via Reallusion Hub.

- Open Reallusion Hub on or after January 6.

- Refresh the Products section.

- Under iClone Plug-ins, find AccuPOSE INFINITY Plug-in and click Install.

- iClone will be updated to version 8.65 automatically if required.

3. Open AccuPOSE in iClone.

Launch the AccuPOSE panel in iClone. All AccuPOSE INFINITY content will be available for use.
