Make sure the license has been successfully redeemed before continuing.

2. Install the AccuPOSE INFINITY plug-in via Reallusion Hub.

- Open Reallusion Hub on or after January 6.

- Refresh the Products section.

- Under iClone Plug-ins, find AccuPOSE INFINITY Plug-in and click Install.

- iClone will be updated to version 8.65 automatically if required.

3. Open AccuPOSE in iClone.

Launch the AccuPOSE panel in iClone. All AccuPOSE INFINITY content will be available for use.
